Dear Customer,

The Eleventh Package of Sanctions against Russia, which modified the Regulation (EU) No 833/2014, has integrated the provision of article 3 octies letter d (article 3g of the English Version of Regulation UE) extending the already existing prohibition of importing steel and metal products and adding the further prohibition of: “purchase, import or transfer, from 30 September 2023, directly or indirectly, iron and steel products as listed in Annex XVII [...] processed in a third country incorporating iron and steel products originated in Russia, as listed in Annex XVII; with regard to products listed in Annex XVII processed in a third country incorporating steel products originating in Russia of CN codes 7207 11, 7207 12 10 or 7224 90”.

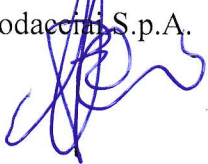

Regulations of equal content have been adopted by United Kingdom – Russia (Sanctions (EU Exit) (Amendment) Regulations 2023) – with Regulations 46IA and 46IB, introduced in Chapter 4CA of part 5 of Regulations 2023, as well as Swiss State Council with the new text of article 14a of the Swiss Regulation establishing the measures in relation with the situation in Ukraine (Regulation n.946.231.176.72).

In this regard, Rodacciai S.p.A., in order to respect the international trade regulations

DECLARES THAT

concerning the products realised in its plant, the same do not come from Russia or incorporate steel products originated in Russia and therefore respect the Regulations mentioned above.
